MANAGEMENT DEVELOPMENT PROGRAM

(THREE DAY ONLINE - 2nd, 3rd & 4th August, 2023)

Root Cause Analysis – Brain Storming

About SSIM

Siva Sivani Institute of Management (SSIM) is an autonomous B-School established in 1992 duly approved by All India Council for Technical Education (AICTE) and the first standalone B-School in both the telugu speaking states that was accredited by NAAC offering PGDM, PGDM-BIFS and PGDM-BA. The institute has a rich tradition of pursuing academic excellence and overall personal growth. SSIM is consistently working on its courses to offer the latest and most effective approach towards imparting education. The courses are designed and updated at frequent intervals with the inputs provided by stalwarts both from industry and academia to meet the needs of the Industry. Located amidst greenery as well as far from the madding crowd, SSIM has an enviable environment – serene, spacious and stupendous. It offers an ideal environment for imparting value - based management education.

About the Program

This Root Cause Analysis – Brain Storming training program will facilitate delegates to remain up-to-date of the latest researched trends, techniques and strategies to improve the condition and performance of their operational process. This hands-on intervention will equip you with the necessary basic knowledge and skills to optimize the function, daily running, and maintenance of the five main aspects of the process.

Objectives of the Program:

1. Clarify what the problem is and is not.
2. Start a trail to the root cause starting with symptoms of the problem.
3. Use data and investigative tools to identify the root cause.
4. Employ decision matrices to select the most appropriate solution.
5. Initiate measure to ensure the gains made are held.
6. common barriers to root cause analysis and apply techniques to overcome those barriers.
